CY4GATE AWARDED TWO-YEAR CONTRACTS WORTH A TOTAL OF AROUND € 2 MILLION FOR CYBER SECURITY SOLUTIONS FOR ITALIAN CORPORATE CUSTOMERS

Rome, 04 June 2025 - **CY4GATE (CY4.MI)**, national and European player in cyber security and cyber intelligence, announces the signing of new two-year contracts worth a total of around € 2 million with leading Italian corporate clients in the banking sector, for the supply of advanced anti-fraud technology solutions dedicated to the protection of the digital perimeter and the cyber resilience of corporate infrastructures.

The contracts provide for the adoption of technologies developed in-house by the Group and designed to ensure proactive protection against complex and persistent threats, in highly exposed organisational contexts. The deliverables include both new software licences and upsells on existing customers.

These new agreements reinforce Cy4Gate's positioning as a trusted technology partner for the corporate market, confirming the Group's ability to offer effective responses to the growing digital security needs of businesses, which are increasingly aware of the centrality of cyber resilience to ensure business continuity and protection of strategic assets.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group, stated: *"The growing awareness of the strategic role of digital security on the part of the corporate world and in the banking sector in particular is a clear signal: cyber security is no longer seen merely as an expense, but as a strategic investment priority to ensure business resilience and business continuity. These new contracts confirm the market's confidence in our ability to offer solid, effective solutions capable of accompanying Italian companies along the path of technological evolution and protection of their most critical assets."*
