

**CY4GATE GROUP AWARDED A DECISION INTELLIGENCE CONTRACT WITH INSTITUTIONAL CLIENTS
IN A EUROPEAN COUNTRY FOR A TOTAL VALUE OF AROUND 9 MILLION EURO OVER 3 YEARS**

**2023 BEGINS WITH THIS SUBSTANTIAL SUCCESS THAT FURTHER UNDERLINES THE SOLIDITY
AND UNIQUENESS OF THE COMPANY'S BUSINESS MODEL**

Rome, 9th February 2023: CY4GATE (EGM:CY4) – a group operating in the all-round cyber security and cyber intelligence market – signed a major foreign contract for the supply of Decision Intelligence systems. The total value of the contract acquired amounts to 9,000,000 euro over the duration of 36 months.

CY4GATE's internationalisation pathway continues. Thanks to its modular and flexible offering backed by Italian technology, it is able to satisfy very challenging market niches.

The Group's significant successes in terms of *Order Intake* have already been achieved at this early stage of the year,

showing just how the business model is anchored on a solid fundamental base.

Moreover, this accomplishment comes following the conclusion of the acquisition of the French company Diateam, announced two weeks ago, confirming how the CY4GATE Group has oriented its offering of value to the customer regarding technologies, to be an all-round cyber hub of Decision Intelligence and Cyber Security-enabling platforms. Developed in-house and entirely proprietary, these address the needs of the high-growth, high-margin markets of the same name, in both the public and corporate spheres in Italy and abroad, with skills and technologies that are 100% "Made in Europe".

Emanuele Galtieri, CEO and General Manager of CY4GATE, states, "*With this important contract for our Group, we started a year that will be marked by plenty of new challenges, strengthened also by the many significant achievements of the previous two years. Today, CY4GATE's strategy of developing, maintaining and enhancing distinctive expertise and excellence is once again confirmed and strengthened, with the conditions in place to consolidate itself as an Italian and European hub of technological competence on Cyber. With even greater enthusiasm and energy, we shall continue on the path of improving our value proposition, firmly grounded in that already constructed and with an eye to the future needs of our customers in an environment that is evolving very rapidly.*

About the CY4GATE Group

The Company was founded in 2014 to meet an unconventional demand for cyber security. Listed on the Euronext Growth Milan since June 2020, the CY4GATE Group was conceived to design, develop and produce technologies and products, systems and services that are able to meet the most stringent and modern Cyber Intelligence & Cybersecurity requirements, as expressed by Law Enforcement Agencies, Armed Forces, Institutions and Companies, both at home and abroad. A unique Italian industrial project, CY4GATE operates in the all-round cyber market, with proprietary products that meet the needs for information gathering and analysis, as well as security.
