

Press release

CY4GATE GROUP: XTN COGNITIVE SECURITY COMPANY, PART OF CY4GATE GROUP, MENTIONED AS “REPRESENTATIVE VENDOR” IN THE GARTNER 2024 EMERGING TECH GENAI REPORT

Roma, June 6 2024 – CY4GATE (CY4.MI), national and European leader in the cyber security and cyber intelligence sector, announces that the company XTN Cognitive Security®, part of the CY4GATE group since January 2024, was cited as representative vendor in the recent Gartner Emerging Tech report: **GenAI Security Services for Online Fraud Prevention**. This recognition testifies to XTN's excellence and innovation in the fields of Fraud Prevention, an area in which the brand has consolidated a solid position on the domestic market over the years, aiming for internationalization. The behavioral analysis component, enhanced by Artificial Intelligence and Machine Learning models, are the basis of the technology that constitutes the true competitive advantage: the prestigious recognition from Gartner certifies the great results on a technological level of the group which aims to make the most of the synergies between all the entities that constitute it (see the recent acquisition in 2023 of Diateam, a boutique in the Hybrid Digital Twin sector).

In recent years, XTN Cognitive Security® has achieved important milestones and obtained prestigious mentions, consolidating its position as a leader in online anti-fraud in banking and other industries such as automotive. Recognized over the years by Gartner as a representative vendor of the Online Fraud Detection market, the reliability of the protection offered by XTN continues to be affirmed by major sector reports including for example the recent Matrix: Behavioral Biometrics and Device Fingerprinting Solutions by Datos Insights. As regards Generative AI, XTN Cognitive Security® is working extensively on the topic and is in an advanced stage of development.

Similarly, in the last 4 years, CY4GATE has obtained significant recognition as a representative provider for Composite Artificial Intelligence (so-called Composite AI®) solutions, demonstrating a constant commitment to research and innovation for the most advanced Artificial Intelligence applications. Intelligence in the field of Decision Intelligence and Cyber Security.

With the acquisition of XTN, Cy4Gate has significantly expanded its strategic portfolio and increased its role as a leader in the cyber security sector in Italy, Europe and with a view to internationalization.

Emanuele Galtieri, CEO and General Manager of Cy4Gate Group, commented: *“We are thrilled to be able to communicate that once again a company part of the Cy4Gate group has been mentioned by Gartner, a confirmation of all the efforts made to offer solutions characterized by innovation and technological excellence. We will continue to invest in carrying out our growth and development project and building our future, to guarantee the success of our strategic vision and the path undertaken, to consolidate our position on the national and international market”.*
