

## Press Release

### **CY4GATE WINS A 5-YEAR CONTRACT WITH A TOTAL VALUE OF APPROXIMATELY € 8.4 MILLION FOR DECISION INTELLIGENCE SOLUTIONS FOR A EUROPEAN INSTITUTIONAL CLIENT**

Rome, 20 May 2025 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, has signed a **five-year contract worth a total of € 8.4 million** with a major European institutional client, aimed at providing innovative technologies and evolutionary services in the Decision Intelligence sector.

The agreement is part of the recent orders acquired by the Group and includes the implementation of advanced technological solutions developed by Cy4Gate, further strengthening the company's positioning as a reference player in this strategic sector.

Decision Intelligence is a constantly evolving field given the growing demand for the ability to collect, analyze and integrate heterogeneous data to generate strategic insights, which have now become fundamental pillars for institutions, companies and government organizations.

The Decision Intelligence market is currently undergoing a technological revolution, driven by the increasingly pervasive adoption of technologies based on artificial intelligence and machine learning, which allow for the optimization and automation of decision-making processes in real time. In this context, the Cy4Gate group's solutions fit in to meet the growing demand for tools capable of supporting faster, more informed and strategic decision-making processes, in an increasingly complex and interconnected global context.

**Emanuele Galtieri**, CEO and General Manager of Cy4Gate Group, stated: *"The Company is strongly focused on internationalization and in particular on European countries that are the fulcrum of the strategy that underpins the creation of a cyber competence center in Europe. We are therefore satisfied with how the path we have started is taking shape and it is a source of pride to be able to be protagonists of this ongoing revolution, aware that the future of Decision Intelligence is based on innovation, responsibility and the ability to offer actionable insights that transform data into competitive advantages. The order acquired, of a multi-year nature, confirms how the solidity of our customer value proposition is transformed into trust by customers who choose Cy4Gate Group for the challenging needs of obtaining valuable information from big data".*
