

**CY4GATE WINS A CONTRACT WORTH A TOTAL OF €450,000 WITH
A LEADING ITALIAN HIGH-TECH COMPANY**

**THE COMPANY CONTINUES THE GROWTH STRATEGY TO CONSOLIDATE ITS POSITION ON THE
CORPORATE MARKET IN DECISION INTELLIGENCE AND BIG DATA ANALYSIS AS WELL**

Rome, 13 May 2021- **CY4GATE** (AIM: CY4) - a company active in all areas of the cyber market, announces that it will supply a complex cyber decision intelligence system to a prestigious national high-tech corporate client.

This system was selected for its excellent performance in the efficient use of avant-garde technologies based on sophisticated AI (machine and deep learning) algorithms, predictive analysis and data mining, considered to be at the cutting edge.

The contract is part of the client's broader long-term digital transformation project and will be performed in partnership with a top international strategic consulting company. By integrating and correlating big data drawn from the company's data lake, the system will enable the creation of precious insights to support the CEO's and top executives' decisions.

It is yet another step forward in CY4GATE's robust positioning in both the cyber intelligence and cyber security segments.

Emanuele Galtieri, CEO and General Manager of CY4GATE, said, "The success we have achieved confirms the soundness of our business strategy. CY4GATE has caught and is riding the dominant cyber market trend, shaping its customer value proposition in response to emerging needs. The company is poised to seize the upcoming opportunities arising from the digitalisation and cyber security initiatives of Italian institutions and manufacturing companies financed by the Recovery Fund."

CY4GATE was founded in 2014 to meet demand for unconventional cybersecurity solutions. Listed on the AIM since June 2020, CY4GATE was created to design, develop and produce technologies, products and services that respond to even the most rigorous and sophisticated "Cyber Intelligence & Cyber Security" needs expressed by the Armed forces, Police, Intelligence Agencies and Companies in Italy and abroad. With its one-of-a-kind Italian business model, CY4GATE covers the entire cyber market with proprietary products for both data collection and analysis and security: QUIPO and Igea for cyber intelligence; RTA for Cyber Security.
