

CY4GATE ENGAGES INTERMONTE SIM AS CORPORATE BROKER

Rome, 23 November 2020 - CY4GATE (AIM: CY4) - a company active in all areas of the cyber market, announces that it has engaged Intermonte SIM as corporate broker effective as of 1 December 2020.

As corporate broker, Intermonte SIM, a benchmark for domestic and international institutional investors, will analyse and cover the CY4GATE share, in addition to organising roadshows on Italian and international markets.

Eugenio Santagata, CEO of CY4GATE announced, *“With Intermonte’s qualified contribution as corporate broker, we will have additional equity research and be able to offer the financial market a more complete view and valuation of CY4GATE. Expanding our share coverage is a way to further develop our history and potential, while also enlarging the network of Italian and foreign institutional investors. We firmly believe in the importance of transparency and releasing information to achieve an excellent position on the financial market.”*

About CY4GATE The Company was founded in 2014 as a joint venture between Elettronica S.p.A. (a leader for over 60 years in the field of Electronic Countermeasures and currently controlling partner with around 54%) and Expert System S.p.A. (a leading developer of semantic intelligence algorithms) to meet demand for unconventional cybersecurity solutions. CY4GATE was created to design, develop and produce technologies, products and services that respond to even the most rigorous and sophisticated cyber intelligence & cybersecurity needs of the Armed forces, Police, Intelligence Agencies and Businesses in Italy and abroad. With its one-of-a-kind Italian business model, CY4GATE covers the entire cyber market with proprietary products for both data collection and analysis and security: DSINT, HYDRA, EPEIUS, Gens.AI and Igea for cyber intelligence: RTA for cybersecurity.
